

In Person Church Service Policies and Procedures

1. *People will enter at the ramp entrance. All other entrances to the church are closed.*
2. *Outside the church at the ramp entrance, people form a line 6-feet apart.*
3. *Before entry, people will be asked about their health. Those reporting symptoms (listed below) are sent home and encouraged to seek medical attention.*
4. *As determined by circumstance, before entry, a person's temperature will be taken using a non-contact thermometer, pointed at the forehead. Those with above-normal temperatures are sent home and encouraged to seek medical attention.*
5. *Before entry, each person is required to wear a facemask and keep it on for the entire service. If not wearing a mask, one will be provided.*
6. *People entering will be required to sanitize their hands.*
7. *People will be seated front-to-back, e.g. the first people in line are sent to the frontmost available rows.*
8. *Seating at the church is established with the 6 foot rule in mind. Non-used pews will be roped off. **Seating capacity is 46.***
Families may sit together in the same pew.
9. *The congregation will not be singing at any point in the service.*
10. *Restrooms can be used for **emergencies only**, one person-at-a-time.*
11. *There will be no childcare provided.*
12. *There will be no passing the offering plates. However, there will be a donation box in the back of the sanctuary.*
13. *There will be no hymnals, tissues, or paper bulletins. All words will appear on the screen.*
14. *At service end, people will be dismissed row-by-row, starting with the rear of the sanctuary.*
15. *When moving in and out, or during service, people are required to stay at least 6 feet apart.*
16. *Worship will continue to be available electronically/over-the-phone and an on-line platform (ie. Zoom)*
17. *On Communion Sundays, the Lord's Supper will be given using sealed, disposable communion cups & wafers to ensure everyone's safety.*
